

## **Michael Satlin, MD**

Infectious Diseases Physician

Associate Professor

Medicine and Pathology and Laboratory Medicine

Weill Cornell Medicine

*Mastermind-Ring*

Dr. Michael Satlin an infectious diseases physician and Associate Professor of Medicine and of Pathology and Laboratory Medicine at Weill Cornell Medicine. He is the Clinical Director of the Transplantation-Oncology Infectious Diseases Program at Weill Cornell. He completed medical school at the University of Virginia School of Medicine and internal medicine residency and infectious diseases fellowship training at NewYork-Presbyterian Hospital/Weill Cornell. His research focuses on the epidemiology, prevention, and treatment of multidrug-resistant Gram-negative infections, with a focus on immunocompromised hosts. He has authored or co-authored over 110 peer-reviewed manuscripts. He is a Senior Editor of Journal of Antimicrobial Chemotherapy-Antimicrobial Resistance and serves on the Editorial Boards of Journal of Clinical Microbiology, Clinical Infectious Diseases and Open Forum Infectious Diseases, and Transplant Infectious Diseases. He is a Member of the Clinical and Laboratory Standards Institute's (CLSI) Subcommittee on Antimicrobial Susceptibility Testing and Co-Chair of its Breakpoint Working Group. He also serves on IDSA's guidance panel for the treatment of antibiotic-resistant Gram-negative infections.
